EDUCATION

Auburn University, Auburn, AL

Expected December 2026

Bachelor of Science in Business Administration

Major GPA: 3.79

Information Systems Management

EXPERIENCE

OCV, LLC. | Opelika, AL

March 2026 - Present

Part-Time Mobile App Product Analyst

- Led the mobile app product evolution of OCV Wellness into Responder Athlete, coordinating business and system requirements to better align with the users' needs
- Optimized operations management processes and workflows by identifying inefficiencies, streamlining process structure, and improving overall business execution throughout the app.

OCV, LLC. | Opelika, AL

August 2026 - Present

Part-Time Business Intelligence Specialist

- Conducted competitor analysis to evaluate product features, market strategies, and offerings, providing insights to support product prioritization and strategic decision-making.
- Analyzed findings and developed recommendations to support product prioritization and business decision-making
- Presented findings and recommendations to technical and operational teams

TECHNICAL PROJECT

CrossFit Performance Tracking System | *Python, Flask, PostgreSQL, AI*

- Developed a Python and PostgreSQL-based fitness system for tracking workouts, lifts, wellness data, and athlete performance data on a web dashboard
- Formed a rule-based recommendation logic to suggest replacement exercises based on pain assessments with trends in tonnage, reps, workload, and performance progression
